- Email: bcss@uark.edu

Include the following information:

- Full Name, UARK ID Number, Major, and indicate that you are an Online student.

Students must complete Steps 1-5 of the [New Online Student Checklist](#) before making their appointment.

STEP 3: During your first advising appointment:

- Please make sure to be at a computer where you can be an active participant in the advising session. Your academic advisor will share information more thoroughly in a virtual advising appointment vs. a phone appointment.
- Be logged into Microsoft Teams 5-10 minutes before your appointment begins.
- Write down any questions you have ahead of time, so you can make the most of your time with your 1-1 appointment with your academic advisor.
- Advising appointments will last 30 minutes, only.

STEP 4: After your advising appointment:

- Students will have discussed action items with their advisor. Be ready to follow through on those instructions.
- Enrollment will be on your own, during the enrollment dates set by the registrar's office.
- If you need help on how to enroll, check out this guide: <https://help-uconnect.uark.edu/knowledge-centers/student/enroll-class.php>
